2.0 EXECUTIVE OVERVIEW

2.1 Introduction/Description of Program Objectives and Background
(Amended 9/3/19)

The New York State Office of Children and Family Services (OCFS), in consultation with the New York State Education Department, invites eligible applicants to submit proposals for the establishment and/or expansion of quality after-school programs for the Empire State After-School Program (ESAP). For the purpose of this RFP, separate applications must be submitted for each school district or not-for-profit community-based organization serving an eligible school district or New York City geographic district. However, the combination of all New York City geographic districts will be considered one school district for the purposes of the 40 percent RFP funding limit discussed in more detail in Sections 2.3 and 6.2. Eligible applicants include not-for-profit community-based organizations and eligible school districts listed in Attachment 3 that meet one of the criteria listed below:

- are located in school districts with high rates of student homelessness (identified as school districts with at least 200 students experiencing homelessness or a school district with at least 10 percent of its student population experiencing homelessness as identified by the State Education Department), or
- are located in school districts in at-risk areas identified by the Office of Children and Family Services, the Division of Criminal Justice Services, the Division of the State Police, County Executive, or local law enforcement.

Programs operated in school buildings are preferred; however, other sites will be considered with appropriate justification. If the applicant proposes to involve additional partners/sub-contractors, they must enter into a subcontract with each additional partner/sub-contractor upon award.
A not-for-profit community-based organization (CBO) is an organization that works at a local level to improve life for residents. The focus is to build equality across society in all streams – health care, environment, quality of education, access to technology, access to spaces and information for the disabled, and more.

ESAP grants shall be awarded based on factors including, but not limited to:

1) measures of the school district need;
2) measures of the need of students to be served;
3) the applicant’s proposal to target the highest-need schools and students;
4) proposal quality; and
5) the applicant’s program design to meet the specific needs of students, including homeless students or students affected by violence.

The ESAP seeks the submission of proposals for the establishment and/or expansion of quality after-school programs located in eligible school districts, which offer a broad range of educational, recreational, cultural, and age-appropriate activities in a safe environment. The proposal must integrate what happens in the school day with less formal learning experiences, and must encourage the active participation of children, youth, and families in the design and delivery of program activities.

The following objectives are to be met through the ESAP:

1. Provide opportunities for academic enrichment, including providing tutorial services to help students, particularly students who attend low-performing schools, to meet the challenging State academic standards.

2. Offer students a broad array of additional services, programs, and activities, such as youth development activities, service learning, nutrition and health education, drug and violence prevention programs, counseling programs, arts, music, physical fitness and wellness programs, technology education programs, financial literacy programs, environmental literacy programs, mathematics, science, career and technical programs, internship or apprenticeship programs, and other programs that tie to an in-demand industry sector or occupation for high school students that are designed to reinforce and complement the regular academic program of participating students.

3. Offer students’ families opportunities for active and meaningful engagement in their children’s education, including opportunities for literacy and related educational development of the child.

Program(s) may include extended hours into the evening, particularly when serving older adolescents, and on weekdays during the regular school year when classes are not in session. Program(s) may be extended, but not supplanted, to include either full-day or part-day programs on the weekends or during the summer. Awardees may use ESAP funds to transport school-aged students to the program
site located within the school district. Transportation is eligible for reimbursement from grant funds only if transportation will not be reimbursed from another funding source. Programs beginning prior to the beginning of the school day are not eligible for funding.

2.2 OCFS Statewide Considerations

OCFS's mission is to serve New York's public by promoting the safety, permanency and well-being of our children, families and communities. OCFS effectuates results by setting and enforcing policies and building partnerships at the federal, state, county and community levels that impact practice. OCFS funding investments assist communities to create and/or enhance the provision of quality services in the areas of child welfare, juvenile justice, adult protective services, and services for the legally blind and visually impaired.

OCFS conducts ongoing analysis of demographic data and fiscal expenditures to aid counties and communities in administering safe, effective and cost-efficient services to the residents of our state. Paramount is ongoing self-assessment within “the system” to identify changes in service needs, interventions, and partnerships. OCFS data reveals that many children and families who are involved with the child welfare and juvenile justice systems in New York State are disproportionately Black and Latino, and many are poor. For the blind and visually impaired service area, Black and Latino adults are underrepresented in the receipt of services from the legally blind and visually impaired service network.

In response to this situation, OCFS has been implementing various activities to

- assess relevant data,
- identify which communities across the state are affected,
- identify evidence-based and/or best-practice strategies and/or approaches that can be replicated in New York State to respond to the issue, and
- provide funding to designated high-need communities to facilitate implementation of programs and services that address disproportionality and disparity rates.

This RFP provides OCFS and localities an opportunity to provide services to our most vulnerable children and families and to implement activities that address disproportionality in identified communities. OCFS will invest in services that are culturally and linguistically competent, cost efficient, and contribute toward alleviating issues identified for the respective communities. Organizations that are interested in applying for OCFS funding are therefore encouraged to review their community’s demographic data (i.e., child welfare, home visiting, adoption, and juvenile justice) and as indicated and where deemed appropriate per the target population and/or scope of services for the funding source, consider the following element(s) in their proposal design:
• **Disconnected/High-Need Youth**

OCFS’s priority is to “protect those in greatest need” through ongoing assessment and enhancement of services that promote safety and general well-being for at-risk children, adolescents, families and adults. This priority includes targeting services for “disconnected/high need youth” who are: youth aging out of foster care; youth in or re-entering the community from the juvenile justice system; and children of incarcerated parents. Grant applications that propose to serve the “disconnected/high-need youth” population must consider that the clients cited above often require service intervention from multiple service systems. Where required by the OCFS RFP narrative, applications must demonstrate capacity and scope for cross-agency collaborations and partnership with relevant community organizations.

• **Racial Equity and Cultural Competence**

OCFS continues work in the area of Racial Equity and Cultural Competence (RECC). Effort to address RECC includes examination of the issues related to the overrepresentation of Black, Latino and Native American children and their families in the State’s child welfare and juvenile justice systems. It also entails a consideration of issues related to the underrepresentation of Blacks, Native Americans and Latinos in various service delivery systems to identify how best to enhance outreach and preventive measures that support the safe reduction of out-of-home placements for children and adults, and focus on the well-being of children, youth and families. OCFS has enlisted the participation of our state and local partners in this effort and is working with a number of counties to examine local data and develop strategies to address, reduce and ultimately eliminate racial and ethnic disparities and to seek equity within the systems of care and custody. We continue to partner with national experts Casey Family Programs and have also collaborated with the Center for the Study of Social Policy (CSSP) and other national experts dedicated to this work. The effort must be data driven and therefore, we have generated and shared county-level data with partners and stakeholders in our effort to encourage transparency and collaboration.

Current OCFS statewide data indicates that Black and Latino children and families continue to comprise 75 percent of the state’s children in foster care and about 85 percent of the juvenile justice placements. OCFS views this RFP as an opportunity to heighten public awareness of the issue of disproportionality and to begin to promote policies and practices that will gradually reduce it.

Specific areas that every applicant and community are requested to consider in the design of their program and scope of services identified in their application for OCFS funding include, but are not limited to the following:
• Providing service strategies, approaches, and linguistic capacities that promote the delivery of services that are culturally competent and reflective of the population and community to be served
• Collecting and analyzing data relevant to disproportionality and service provision
• Strategically locating services within communities, to promote better access to service delivery in high-need areas
• Promoting cross-agency dialogue and partnership regarding service planning to address disproportionality (including, but not limited to, social services, mental health, health, education, housing, substance abuse, probation agencies, and community-based providers)

• Disproportionate Minority Representation (DMR) in the Child Welfare and Juvenile Justice Systems

Disproportionate Minority Representation (DMR) or disproportionality occurs when the percentage for the representation of a particular minority group (racial, ethnic) involved with a service system is significantly higher or lower than that group’s percentage or representation in the general population. Disproportionality has implications across all services administered by OCFS, including child welfare, juvenile justice, child care, youth development, and those services for the blind and visually impaired. In some service categories, disproportionality manifests itself by over-representation of racial/ethnic groups, and in other service categories, it is manifested by under-representation of racial/ethnic groups.

Further information regarding Disproportionate Minority Representation (DMR) and data in New York State can be found through the following link: Disproportionate Minority Representation (DMR).

2.3 Purpose and Funding Availability

The New York State Fiscal Year 2019-20 State Budget appropriates $10 million to establish and/or expand Empire State After-School Programs. ESAP grant funds shall only be used to supplement, and not supplant, current local expenditures of federal, state or local funds on after-school programs and the number of students served in such programs from such sources. For example: an after-school program funded by OCFS that currently has 100 student participants and proposes to serve an additional 50 students will only be allowed funding through this RFP for those additional 50 students.

Of the $10 million available for this RFP, $2 million will initially be made available to qualifying applicants with programs located in school districts in high-need school districts in Nassau or Suffolk counties (as identified in Attachment 3). Funds to these applicants will be awarded based on proposal scores, beginning with the highest scored proposal and contingent on the funding amount requested and available funds. Should a portion of the $2
million remain after awards are made to qualifying applicants in Nassau and
Suffolk counties meeting the at-risk or high-need criteria, such funds will be
awarded beginning with the highest scoring application that proposes to serve
a school district listed in Attachment 3.

Applicants funded under this RFP will be required to provide an assurance
that the applicants will partner with state and local law enforcement in gang
prevention and education initiatives.

An applicant’s ESAP grant shall equal:

1) The approved number of children served in such programs multiplied
   by
2) $1,600.

For example, an applicant proposing to serve 100 children would receive a
grant award of $160,000 ($1,600 x 100 children served). For the purpose of
this RFP, separate applications must be submitted for each school district or
not-for-profit community-based organization serving an eligible school district
or New York City geographic district. However, the combination of all eligible
New York City geographic districts will be considered one school district for
the purposes of the 40 percent RFP funding limit discussed in more detail
below and in Section 6.2.

No applicant shall receive reimbursement in excess of the total actual grant
expenditures incurred by the applicant in the current school year as approved
by OCFS. Expenditures submitted for payment may not exceed the grant
award.

Awards made in response to this RFP will be limited to one per eligible school
district. An awardee that is a not-for-profit community-based organization
must operate the program within the eligible school district for which it
received the award. An awardee that is a not-for-profit community-based
organization will be limited to no more than one award.

As a condition of eligibility for receipt of such funding, an applicant shall agree
to adopt approved quality indicators, as specified in Section 4.1 Required
Program Outcomes and Performance Targets including, but not limited to:
valid and reliable measures of environmental quality; the quality of staff-
student interactions; and student outcomes. All programs shall be required to
provide an assurance that the applicants will partner with state and local law
enforcement to offer gang prevention and education programs.

Initial awards shall not exceed $800,000 per applicant annually. However,
applicants may apply for up to 40 percent ($4 million) of the total RFP funding
amount. If funding is available after awards to all applicants receiving a
passing score of 75 points or more (see section 6.2 of this RFP), the available
funds will be distributed based on the amount requested by the highest-
scoring applicants. In this event, funds will be awarded by funding up to the total amount requested by the applicant with the highest-scoring application and continuing down the list of passing applications until all funds are awarded. No applicant shall receive more than 40 percent of the total ESAP RFP funding ($4 million). The combination of all eligible New York City geographic districts will be considered one school district for the purposes of the 40 percent RFP funding limit. The combination of all New York City geographic districts or not-for-profit community-based organizations serving eligible New York City geographic districts are eligible, in total, for up to 40 percent of the RFP funding ($4 million).

The following information applies to the funding opportunity:

State reimbursement will not be available until the selected applicants and OCFS enter into a contract, which is approved by the New York State Office of the Attorney General, and the New York State Office of the State Comptroller. Costs will be paid only for expenditures incurred after the contract start date. Upon approval of the contract, an advance of up to 25 percent for the first year of the contract may be available to any selected not-for-profit community-based organizations.

OCFS will provide the applicants selected to implement the services with copies of all applicable statutes and regulations, required notices to parents and providers, and any other required agency forms and notices. ALL proposed forms and required documents must be reviewed and approved by OCFS prior to their use by the selected applicants.

As noted in Section 1.7 OCFS Reserved Rights above, OCFS reserves the right to place a monetary cap on the funding amount made in each contract award.

2.4 Term of Contract (Amended 9/3/19)

The contract(s) awarded in response to this RFP will be for three (3) years. The anticipated start date is no sooner than 9/1/2019 and the anticipated end date is no later than 8/31/2022. Funding is currently anticipated to be available for the first year of the contract, and the award of a multi-year contract does not guarantee that funding will be available for subsequent years. Contractors may not begin to provide services prior to the contract start date; OCFS has no obligation to pay for services rendered prior to that time. Payments cannot be made prior to the formal execution of a contract and approval by the Office of the State Comptroller (OSC).
3.0 MINIMUM QUALIFICATIONS TO PROPOSE AND PREQUALIFICATION PROCESS

3.1 Minimum Qualifications (Amended 9/3/19)

Applicants must:

1. Be one (1) of the following:
   • a not-for-profit community-based organization (CBO) proposing to serve an eligible school district listed on Attachment 3 – List of Eligible School Districts, or

   • If an applicant is a not-for-profit CBO, the Attachment 4 - Partnership Agreement provided with this RFP must be filled out in its entirety and signed by authorized representatives from the not-for-profit community-based organization and eligible school district. Please be advised that no changes (modifications or deletions) or addendums to the Attachment 4 – Partnership Agreement will be accepted. Any changes (modifications or deletions) or addendums made to Attachment 4 – Partnership Agreement will result in the disqualification of the application. A separate Attachment 4 – Partnership Agreement must be completed as described above for each site an applicant proposes to serve, or
   • If an applicant is the eligible school district and will be partnering with any not-for-profit CBOs, a letter identifying the organizations the district will partner with is required.

4. Provide the following information:

   • A statement that the applicant will agree to offer required gang-prevention programming
5. Applicants must agree to meet the applicable requirement below:

- If the applicant is a not-for-profit CBO serving children under the age of 13, a School Age Child Care (SACC) Registration must either be provided with the proposal or the applicant must agree to obtain a SACC registration if selected for award, or

The required documents must be uploaded as an attachment in the Grants Gateway in the “Program Specific Questions” or “Pre-Submission Uploads” section of the Grants Gateway System as part of your response to applicable questions.

Not-for-profit community-based organizations seeking to serve multiple school districts must submit separate proposals for each separate school district it wishes to serve. Single proposals seeking to serve more than one school district will not be considered for funding.

Please Note: Programs that require a SACC registration may not begin to provide direct care services until they have that SACC registration in place. OCFS will not reimburse for any direct care services prior to the date of the SACC registration.

3.2 Prequalification Process

New York State has instituted key reform initiatives to the grant contract process that require not-for-profit organizations to register in the New York State Grants Gateway System (GGS) and complete the Vendor Prequalification process in order for proposals to be evaluated. After becoming prequalified, Not-for-profit organizations will have the responsibility to keep their information current by updating on an annual basis.

Proposals received from not-for-profit applicants that are not prequalified in the Grants Gateway on the proposal due date and time listed in Section 1.2 Calendar of Events will be disqualified from further consideration.
NOTE: Government entities are not required to prequalify in Grants Gateway, but must register in order to submit an application.

Below is a summary of the steps that must be completed to meet registration and prequalification requirements. The Vendor Prequalification Manual on the Grants Management website details the requirements and an online tutorial is available to walk users through the process.

3.2.1 Register for the Grants Gateway

- On the Grants Management website, download a copy of the Registration Form for Administrator. A signed, notarized original form must be sent to the Division of Budget at the address provided in the instructions. You will be provided with a username and password allowing you to access the Grants Gateway.

- If you have previously registered and do not know your username, email grantsgateway@its.ny.gov. If you do not know your password, click the Forgot Password link from the main login page and follow the prompts.

3.2.2 Complete Your Prequalification Application

- Log into the Grants Gateway. If this is your first time logging in, you will be prompted to change your password at the bottom of the “Profile” page. Enter a new password and click “SAVE.”

- Click the “Organization(s)” link at the top of the page and complete the required fields including selecting the state agency with which you have the most grant contracts. If you currently do not have any contracts with NYS, select OCFS. This page should be completed in its entirety before you click “SAVE”. A “Document Vault” link will become available near the top of the page. Click this link to access the main “Document Vault” page.

- Answer the questions in the “Required Forms” and upload “Required Documents.” This constitutes your “Prequalification Application.” “Optional Documents” are not required unless specified in this Request for Proposal.

- Specific questions about the prequalification process should be directed to the agency contact listed in Section 1.1 Procurement Contact, or to the Grants Gateway Team at grantsgateway@its.ny.gov.
3.2.3 Submit Your Prequalification Application

- After completing your prequalification application, click the “Submit Document Vault” link located below the “Required Documents” section to submit your prequalification application for state agency review. Once submitted, the status of the document vault will change to “In Review.”

- If expedited review of your prequalification application is desired, please send an email request to the agency contact listed in Section 1.1 Procurement Contact and identify your organization by including your Grants Gateway Document Vault (GDV) number, organization name, and Federal EIN or SFS Vendor ID. It is advised that you submit this request prior to, or as soon as possible after, the Recommended Deadline to Prequalify in the Grants Gateway noted in Section 1.2 Calendar of Events.

- Your document vault will be assigned to a prequalification specialist for review. If your prequalification specialist has questions or requests modifications, you will receive email notification from the GGS.

- Once your prequalification application has been approved, you will receive a GGS notification that you are now prequalified to do business with New York State.

Vendors are strongly encouraged to begin this process as soon as possible and at the latest by the date specified in Section 1.2 Calendar of Events to participate in this opportunity.

3.3 Vendor Responsibility Requirements

Section 163(9)(f) of the NY State Finance Law requires that a state agency make a determination that a bidder is responsible prior to awarding that bidder a state contract. Vendor responsibility will be determined based on the information provided by the bidder, on-line, through the New York State VendRep System Questionnaire or through a paper copy of the Vendor Responsibility Questionnaire. OCFS will review the information provided before making an award.

OCFS reserves the right to reject any proposal if, in its sole discretion, it determines the bidder is not a responsible vendor. All proposals are subject to a vendor responsibility determination before the award is made, and such determination can be revisited at any point up to the final approval of the contract by the New York State Office of the State Comptroller (OSC). Vendors must maintain their vendor responsibility throughout the duration of the contract.
Enrolling and completing the questionnaire online through the New York State VendRep System is the best method because both the questionnaire and answers are stored in the system. Thus, subsequent questionnaires in response to contracts or Request for Proposals from any state agency would only need to be updated in the VendRep System.

To access or enroll in the VendRep System or update your existing online questionnaire, click On-line Questionnaire. Questionnaires in the VendRep System that have been completed in the last six months in response to contracts or bid announcements do not need to be updated. If the vendor is using the hard copy notarized questionnaire, then it also has to be current within six months of the due date of the proposal.

Vendors opting to complete a paper questionnaire, can access the questionnaire by clicking the following link: Paper Questionnaire. Please note that there are separate questionnaires depending on the contractor status. Not-for-profit vendors must use the Vendor Responsibility Questionnaire Not-For-Profit Business Entity form. For-profit vendors must use the Vendor Responsibility Questionnaire For-Profit Business Entity form.

Vendors are also encouraged to have subcontractors file the required Vendor Responsibility Questionnaire online through the New York State VendRep System. These subcontractors are required to submit a questionnaire when the value of the subcontract is $100,000 or more.

Prior to executing a subcontract agreement, the contractor must provide the information required by OCFS to determine whether a proposed subcontractor is a responsible vendor.

Vendors must provide their New York State Vendor Identification Number when enrolling. To request assignment of a Vendor Identification Number or for direct VendRep System user assistance, the OSC Help Desk may be reached at 866-370-4672 or 518-408-4672 or by email at ciohelpdesk@osc.state.ny.us.

The New York State VendRep System offers the following benefits:

- Ease of completion, filing, access to and submission of the questionnaire; efficiencies are multiplied for vendors who bid and contract with the state frequently or with multiple state agencies.
- Questionnaire updates are easily filed by updating only those responses that require change from the previously saved questionnaire (as opposed to a paper copy where a new questionnaire is required each time there is a change).
- The stored questionnaire information eliminates the need to re-enter data for each subsequent questionnaire submission.
- Reduction of costs associated with paper documents including copying, delivery and filing
Online questionnaire information is secure and accessible to authorized vendor users only. State agencies can only view certified and finalized questionnaires.

VendRep question prompts ensure that the correct forms are completed.

The VendRep On-Line System contains links to all definitions of the terms used in the questionnaire.

Note: The vendor responsibility questionnaire must be dated within six months of the proposal due date. Any subcontractors under that proposed contract must also complete a Vendor Responsibility Questionnaire when the value of the subcontract is projected to be $100,000 or more for the contract term.

Confirmation of completion of the vendor responsibility process must be submitted with your proposal. This confirmation can take the form of registration in the VendRep system, or by submitting your completed hardcopy questionnaire. To submit this confirmation with your application, go to the bottom of your certified questionnaire, and click the button called “Form Overview.” Print this page and upload it to the proposal. Upload the page into your proposal by going to the “Pre-Submission Uploads” section of the RFP in the GGS. While it is not recommended, you have the option of uploading a completed hardcopy vendor responsibility questionnaire to the “Pre-Submission Uploads” section.

4.0 PROGRAM REQUIREMENTS

4.1 Desired Outcomes and Program Requirements (Amended 9/3/19)

Program requirements are as follows:

1. The after-school program(s) must be in operation a minimum of three (3) hours a day, when classes are in session, beginning directly after the school day ends. Or, for applicants who have an existing program beginning directly after the school day and propose to serve the same youth, the afterschool program must be in operation for a separate three (3) hour block of time, when classes are in session, in the evening and must provide meals. (For example, if an applicant is currently serving 100 youth from 3PM to 6PM under an existing grant and proposes to serve the same youth from 6 PM to 9 PM, this is permissible.)
2. Program(s) must operate a minimum of fifteen (15) hours per week, when classes are in session, for at least twenty-eight (28) weeks per year.
3. Program(s) will enroll a group of school aged children who will attend the program daily, after school, during the school year.
4. Program(s) funded from this RFP will not be used to duplicate existing services, or serve the same students. Please note: Applicants who have an award for an existing afterschool program beginning directly after the school day ends and propose to serve the same group of youth under this RFP for an evening program must
indicate in the answer to question A8 a different three hour block of time than what their current program times are. Enrollment records and attendance records will be required to be submitted during the contract term from all contractors. Overlapping hours of service to the same group youth is not permitted, nor will it be reimbursed.

5. School Age Child Care (SACC) Requirements:

- Not-for-profit community-based organizations programs that serve children under the age of 13 must obtain a School Age Child Care (SACC) Registration.
- School districts must comply with requirements outlined in OCFS Regulations at 18 NYCRR Part 414, even if the school is directly operating the program. A link to those regulations is available here: https://ocfs.ny.gov/main/childcare/daycare_regulations.asp

Programs serving youth age 13 and over must meet SACC requirements pertaining to buildings, equipment, discipline, fire protection and safety, sanitation, and supervision of children and youth. School districts selected for award must comply with requirements outlined in OCFS regulations at 18 NYCRR Part 414, but do not need a SACC registration. Programs operated by not-for-profit community based organizations and serving children age 12 and under, or serving both children age 13 and over and children age 12 and under must complete the SACC registration process. All children, regardless of age, will be considered part of the program. No child under 13 years of age may be served, and no costs for direct services provided to children under 13 years of age will be reimbursed, prior to completion of the SACC registration process. Eligible start-up costs may be reimbursed prior to obtaining a SACC registration for expenses such as hiring of the program director, equipment, outreach, pre-enrollment efforts and initial hiring of staff. All expenses must be incurred after the start of the contract.

**Required Program Outcomes are as follows:**

1. Improve social, emotional, academic and vocational competencies of school-age children and youth for guidance on Social Emotional Learning (SEL) see the NYS Education Department link: http://www.p12.nysed.gov/sss/sel;
2. Reduce negative youth behaviors such as bullying, violence and crime; disengagement from school; school suspension and truancy; tobacco, alcohol and substance abuse and other health-compromising behaviors; and
3. Provide parents with a safe, after-school environment for their children and youth.

In addition to the required Program Outcomes stated above, there are
three required Performance Targets designed to positively impact the Program Outcomes that must be developed for each program. Performance targets are the measurable improvements in the condition or behavior of the target population that the program intends to achieve by the end of the contract period. Targets are quantifiable and verifiable indicators of program performance. Performance targets can be either an increase in positive behavior or condition or a reduction in a negative or destructive behavior or condition. A program’s success is measured by how well it achieves its performance targets.

**Required Performance Targets are as follows:**

1. **Child Performance:** How students that regularly attend the after-school program will enhance their academic achievement.
2. **Child Involvement:** The consistency of attendance of enrollees at the after-school program, taking into account the need for flexibility in children’s attendance due to the irregular schedules of parents and that, as children age, they may be involved in more extracurricular school activities and part-time employment.
3. **Parental/Guardian Involvement:** The level of parent involvement and parent satisfaction, both of which have been demonstrated to correlate to the quality of the after-school program.

Finally, as a condition of eligibility for receipt of funding, the applicant must agree to adopt approved quality indicators, including, but not limited to:

1. Valid and reliable measures of environmental quality *(includes, but is not limited to; building safety, space access, etc)*;
2. The quality of staff-student interactions; and
3. Student outcomes.

Applicants must propose and adopt these indicators and address these three categories in their proposal. Additional indicator categories deemed appropriate by the applicant should be included in their proposal. All indicators proposed in a funded applicant’s narrative are subject to approval by OCFS.

**4.2 Accessibility of Web-Based Information and Applications**

Any web-based Intranet and Internet information and applications development or programming delivered pursuant to this procurement must comply with New York State Enterprise IT Policy NYS-P08-005, *Accessibility Web-Based Information and Applications*, and New York State Enterprise IT Standard NYS-S08-005, Accessibility of Web-Based Information Applications, as such policy or standard may be amended, modified or superseded, which requires that state agency web-based intranet and internet information and applications are accessible to persons with disabilities. Web content must conform to New York State Enterprise IT Standards NYS-S08-005 as
determined by quality assurance testing. OCFS will conduct such quality assurance testing and the test results must be satisfactory to OCFS before web content will be considered a qualified deliverable under the contract or procurement.

5.0 PROPOSAL CONTENT AND SUBMISSION

5.1 Technical Proposal Content/Work Plan

NOTE: This section describes the content requirements of the Work Plan and how to prepare your Work Plan to assist you with your application. Please refer to Section 5.5 Proposal Submittal Process.

The purpose of the Work Plan is to provide a clear description of what requested project funds will pay for, the expected outcomes for the proposed project services and the programmatic rationale for the proposed project budget. The Work Plan must be in compliance with all applicable state and federal laws, rules, and regulations and be responsive to the desired outcomes identified in Section 4.1 Desired Outcomes and Program Requirements of the RFP and provide value to the OCFS mission. OCFS expects that all project services funded by this initiative will be designed to be culturally and linguistically competent and cost efficient. Appropriate planning and development activities must be conducted by applicants to promote responsiveness to the target population of this RFP. Services provided must accommodate cultural and linguistic requirements of the target population and/or community to be served.

Prior to entering their responses to the application in the GGS, applicants should create a word document from the Work Plan Template available in GGS and use it in preparing proposed responses to questions on the Work Plan (See Section 5.4 Proposal Content.) To use the Work Plan template:

1. Download the Work Plan template from the “Pre-Submissions Uploads” folder in your grant application.
2. Complete the Word document, and save it to refer to later when responding to questions as part of your proposal submission in the grants gateway system. This document will not be submitted into the GSS with your application.
3. Save the Work Plan for future reference, because if the applicant is awarded a contract, this document will be the basis for the Work Plan in the subsequent contract for services.

The Work Plan consists of the following sections:

A. Program Development Plan
B. Organization
C. Responsiveness to Target population
D. Meeting OCFS Standards
Your proposal will be rated based on your organization’s responses to the sections listed below. Please be sure to address all of the questions in each section comprehensively, yet succinctly. The number of points allocated to each area in the technical review appear in (parentheses) after each section below.

Guidelines for Each Section

- how the applicant proposes to recommend and adopt approved quality indicators, inclusive of, but not limited to, valid and reliable measures of environmental quality; the quality of staff-student interactions; and student outcomes. Additional indicator categories deemed appropriate by the applicant should be included in their proposal.

Additionally, if the proposed program is to expand an existing after-school program describe the relationship between the existing program and the expansion: how the expansion of the existing program will benefit the target population, include information regarding how the current student enrollment targets are being met and how expanding the current program will provide for more student participation and how the proposed program will ensure the non-duplication of existing services.

- Identify appropriate and realistic methods to verify task attainment.

D. Meeting OCFS Requirements (10 Points)

Proposals shall describe how:

- The program will meet the OCFS school-age standards for a quality school-age program:
  - Not-for-profit community-based organizations that serve children under the age of 13 must have, or obtain a SACC registration if selected for award
  - School district must comply with requirements outlined in OCFS Regulations at 18 NYCRR Part 414, but do not need a SACC registration
- In partnership with state and local law enforcement, gang prevention and education programs will be implemented.

5.2 Proposed Budget (Amended 9/3/19)

To complete the budget in the GGS, you must do the following:

1. Download the budget from the “Pre-Submission Uploads” section in your grant application;
2. Complete that document and upload (attach) your completed form to the “Pre-Submission Uploads” section of your grant application.

Please note: The budget submitted with this proposal must be for one 12-month contract period.
Follow these instructions carefully as you complete the budget. The budget for this project must be in compliance with all applicable state and federal laws, rules, and regulations. Use the following directions to briefly describe the expenses included in each budget category. The detail requested is essential to expedite the contract process. Accuracy and completeness are critical.

**Please note:** Applicants should complete this budget to reflect the total amount of funds that they are requesting. Funding requests are calculated by multiplying $1,600 by the number of students they are proposing to serve. For example, if a not-for-profit community-based organization is proposing to serve 500 students in an eligible school district, the total budget submitted will total $800,000 (500 x $1,600).

An applicant’s proposed use of an indirect cost rate of up to 15% will not be considered in evaluating an application.

Ensure the following:

- The cost of items is described in the budget narrative and for every line item of expense, the specific calculations for determining the total cost of each item is included in the narrative.
- All items covered by OCFS funds are directly related to the provision of services indicated in the proposal.
- All expenses are incurred within the contract period.
- All shared costs are prorated and the basis of the proration explained.
- Reimbursement for travel, lodging and mileage costs do not exceed the state rates currently in effect.
- All amounts listed on the budget summary form reconcile with the relevant budget narrative information.
- The total Grant Funds agrees with the amount requested on the Contract Face Page.

**Non-Allowable Costs**

The following items *cannot be included* as OCFS-funded costs within the project budget:

- Major capital expenditures such as acquisition, construction or structural renovation of facilities
- Interest costs, including costs incurred to borrow funds
- Costs for preparation of continuation agreements and other proposal development costs
- Costs of organized fundraising
- Legal fees to represent agency/staff
- Advertising costs, except for recruitment of project personnel, program outreach and recruitment of participants
- Entertainment costs, including social activities for program and staff, unless directly associated with the project
• Costs for dues, attendance at conferences, or meetings of professional organizations, unless attendance is necessary in connection with the project

Local Match

A. Personal Services

1. Personal Services - Personnel

Personal Services (Salaries):

• List only staff positions included in the funded project.
• List the percentage of time each staff member will spend on this project.
• The percentage of time an employee is engaged in this project (or projects) cannot exceed 100 percent.
• List the base (annual) salary for each staff position. The base salary should reflect the employee’s actual annual salary. The annual salary should be consistent across all projects that the employee’s time is charged to.
• If a position has both administrative and programmatic responsibilities, show the position on two lines, one for programmatic responsibilities with associated percentage of time and one for administrative responsibilities with associated percentage of time. Identify administrative positions in the “Personal Narrative.” The percentage of time for the position cannot exceed 100 percent.
• If the proposed project is currently operational, provide information on the percentage of salary increases, if any, included in the requested budget. Justification for raises must be provided. If you anticipate cost of living or merit raises during the contract year, include the increases in the base annual salary charged to the project and note the effective date of the raise.

Personal Services Salary Narrative: Give a brief description of the administrative or program related responsibilities of each staff position supported by the grant funds.

2. Personal Services – Fringe Benefits

Fringe benefits should be budgeted in line with your organization’s policy. The total fringe benefits chargeable to this contract should not exceed the current approved fringe rate, which can be found on the NYS Office of the State Comptroller’s website at Fringe Benefits. A higher rate may be considered with justification; any such justification must be included with your application.
Fringe Benefits Narrative:
- List the fringe benefit rate(s) and the positions to which the rate(s) apply.
- Provide a complete list of benefits used to calculate rate(s) (e.g., Social Security-FICA, NYS Unemployment Insurance-SUI; NYS Disability Insurance and Worker’s Compensation). These can be listed on the extra lines under “Personal Services.” Be sure to clearly identify “Fringe.”

Non-Personal Services (NPS)

Use of MWBEs for Discretionary Purchases

Contractors are required to spend thirty percent of their discretionary budget through a New York State-certified Minority or Women-Owned Business Enterprise (MWBE) in compliance with Article 15-A of the NYS Executive Law. As your organization develops its NPS budget for this contract, you must identify the discretionary purchases that are subject to the MWBE goal (See section 7.10 for more information.) The following NPS budget categories are subject to the MWBE goal:

*If M/WBE are not going to be utilized, you should include enough detail in the applicable Budget Narrative section(s) to show why that spending category should not be considered discretionary and counted toward your Goal (i.e. ‘there are no M/WBE vendors for this commodity/service in our area’ ‘we have established contracts with vendor xxx for this commodity/service...’ etc.). The M/WBE Compliance Unit may reach out to you for further details/explanations and justification if your narrative is not sufficient.

NPS Budget Categories
All budget items must be for commodities to be purchased during the contract period that in direct support of services related to the project; or for contractual/consultant services to be rendered during the contract period that directly support the project.

1. Contractual/Consultant Services

This category includes costs for institutions, individuals or organizations external to the agency.

- Specify the services to be provided and indicate how the cost was determined.
- Delineate between administrative and program cost.
- If an award is made, the contractor must get prior written approval from OCFS for any agreement, or series of agreements, with a single subcontractor that exceeds $50,000 or 50 percent of the total contract value during the contract term. The contractor must receive such approval prior to executing the subcontract agreement, implementing any activity under its term or expending contract funds under its term. Prior approval is also required for any cost or term amendment to approved subcontracts or as otherwise requested by OCFS. All subcontract agreements, regardless of dollar value, must be submitted to OCFS prior to claim for services being submitted.

- For office or other program space rental or lease include copy of rental or lease agreement and method of cost allocation of space.

- For equipment rentals:
  - Clearly describe item(s).
  - Include model # and specifications if possible.
  - Indicate term and rate of rental.
  - Provide a justification for the rental of all equipment by giving a brief description of the program related need supported by grant funds.

- Vehicle lease for participant travel, when such travel has been approved by OCFS, must be programmatically justified. A copy of the lease agreement must be provided to OCFS prior to claim payment. Also, the OCFS share of travel expense must be based upon state guidelines; payment cannot exceed the state rates currently in effect.
  - Explain the purpose of the travel.
  - Number of participants.
  - Estimated miles.
  - Frequency of travel (e.g., per day, per week).
  - Be as clear as possible in explanation of need and cost.
  - Show the percentage of time the vehicle will be used by the project and only include requested funds for this percentage.

- If a subcontractor or consultant expense is more than $15,000, three written bids are required. If you are unable to obtain three written bids, a justification as to price reasonableness is required. If other than the lowest bidder was selected, please provide justification.
• If the consultant/contractor is reimbursed at an hourly rate, the hourly rate and the number of hours must be calculated accurately and be included in the budget narrative.
• Indicate whether consultant’s rate includes travel and lodging.

2. Travel

• Travel costs include the following: air, train, bus and taxi fare; personal auto, parking fees, tolls, lodging and meals. Conference fees or outside training costs for staff to attend that are integral and essential part of this particular program and necessary in connection with the project to be funded.
• Explain which staff will be traveling and the destination, purpose, and frequency of travel.
• For local/day travel and extended travel, list the following for each trip: destination, length of stay, purpose, number of travelers, mode of transportation and its cost, meals and lodging costs.
• Includes staff travel only.
  - Consultant travel should be shown under the “Contractual/Consultant Services” category.
  - Client travel should be shown under the “Other Expenses” category.
• Reimbursement for travel, lodging, and mileage costs will not exceed the state rates then in effect.

NOTE: The OCFS share of travel expense must be based upon state guidelines; payment cannot exceed the state rates currently in effect. Refer to http://www.osc.state.ny.us/agencies/travel/travel.htm

• All out of state travel must be pre-approved by OCFS.

3. Equipment

This section is used to itemize the purchase of equipment.
• Equipment is defined as tangible personal property having an acquisition value of $5,000 or more per unit.
• Obtain three written bids for any single item. If a bidder other than the low bidder is selected, a statement must be submitted explaining why that vendor was selected.
• Any budget requests for equipment purchase using grant funds must be fully explained and justified by program need. Note that equipment purchases are generally not allowed for a contract with a term of 12-months or less.
• Delineate between administrative and program costs.
• If the item is to be used by more than one program, the cost must be prorated.
• Explain the program function and need for each item. Be as specific as possible.
• Clearly describe each item, including type and cost.
• Vehicles cannot be purchased. They may be leased if required for program operation. If vehicles are leased, the costs must be listed under the “Contractual/Consultant Services” section of the Equipment Narrative: Give a brief description of the program related equipment supported by grant funds. Include basis of allocation of costs between programs, if applicable.

4. Supplies

• List major supply items (used for office, program, janitorial, etc.)

• Supplies are defined as tangible personal property (including computers, computer equipment, tables, etc.) having an acquisition value of less than $5,000 per unit. Obtain three written bids for any single item costing over $2,500. Obtain three written or verbal quotes for any single item costing $2,500 or less. If a bidder other than the low bidder is selected, a statement must be submitted explaining why that vendor was selected.

• Delineate between administrative and program items.

• Describe items to be purchased and provide details showing how estimated costs were developed.

• Justify these costs in terms of number of staff and programmatic functions, and how the request relates to service provision.

5. Other Expenses

“Other Expenses” are costs that do not fall under the previous budget categories. Examples are occupancy costs for owned buildings, utilities, operation expenses, printing services, allowable administrative overhead, and other miscellaneous expenses.

a. Space/Property (Own)

If the grantee owns the building, they must charge occupancy costs other than rental costs. Occupancy costs must be true costs made to a third party, for example, mortgage payment (exclusive of property/school taxes), cleaning costs, snow removal and general maintenance.

- Provide description of space.
- Provide justification.
- Provide itemization of total costs.
- Provide method of cost allocation of space.

Space/Property Own Narrative: Provide a detailed explanation of all space and property costs supported by grant funds.

b. Utilities
Provide a budget line for each utility cost. This may include electric, heat, telephone, other communication services and internet.

Utilities Narrative: Provide a detailed explanation of all utility costs and how costs here are allocated to this grant.

c. Operating Expenses

This section is used to itemize costs associated with the operation of the program, including but not limited to, insurance, bonding, photocopying and advertising. Provide a budget line for each item.

Operating Expenses Narrative: Provide a detailed explanation of each operating expense and how costs here are allocated to this grant.

d. Printing Services

- All agencies and subcontractors must make reasonable efforts to secure the lowest responsible bidder for printing services.
- In instances where the cost of a printing job exceeds $5,000, documentation of three (3) telephone bids is required showing that the lowest cost source has been used. This information must be provided with the payment claim. The state strongly encourages the participation and utilization of minority and women-owned printing firms.
- Program materials printed using these funds must be pre-approved by OCFS.

Printing Services Narrative: Provide a detailed explanation of all printing expenses.

e. Miscellaneous Expenses

- Food and refreshments are not allowable expenses for staff.
- Include items that are not applicable under any other category and that are directly related to the services to be provided.
- These items may include postage, client travel, shipping, delivery and messenger services audio-visual services, (see note below for more specific instructions), materials, development costs, advertising costs for recruiting new hires, books, journals, periodicals, computer time and library services.
- Information on these costs, including how the estimates were calculated (e.g., cost per hour, cost per page, cost per square foot, etc.) should be provided in the budget narrative.
- Delineate between administrative and program items.
- Itemize any additional miscellaneous expenses that are allowed for this project that do not fall under any other budget category.
**Miscellaneous Expenses Narrative:** Provide a detailed explanation of each miscellaneous expense.

**f. Administrative Expense**

This RFP is part of a New York State pilot project to examine the impact of the level of service provided by not-for-profit organizations by allowing them to charge indirect costs using one of the methods below for State funded awards. The utilization of an indirect cost rate of up to 15% will not be considered in evaluating an application.

This category cannot include any items directly charged in other budget categories. Include the base on which the administrative expense will be charged.

A. For Federally Funded Awards

For federally funded contracts (includes any contract supported in whole or in part with federal funds):

- OCFS will reimburse the federally approved indirect cost rate for federally funded contracts up to any statutory caps required by the funding streams and in accordance with the terms and conditions of the federal award. A copy of the federally approved indirect cost agreement, with narrative, addendum, and an expiration date must be submitted as part of the proposal.

- If your agency does not have a federally approved indirect cost agreement, and your agency is a non-federal entity that has never received a negotiated indirect cost rate, except for a governmental department or agency unit that receives more than $35 million in direct federal funding, you may elect to charge a deminimis rate of 10% of modified total direct costs (MTDC) or you may elect to follow the rules for State-Funded Awards in 2. below. Please see federal regulations at 2 CFR 200.414(f) for the applicable legal requirements for this option.

- MTDC means all direct salaries and wages, applicable fringe benefits, materials and supplies, services, travel, and up to the first $25,000 of each subaward. MTDC excludes equipment, capital expenditures, charges for patient care, rental costs, tuition remission, scholarships and fellowships, participant support costs and the portion of each subaward in excess of $25,000.

- Use of a federally approved indirect cost rate, or the deminimis rate, as described above, if applicable, must be in accordance with all applicable federal rules to include 2 CFR Part 200.
All costs claimed under the contract must be directly attributable to the project. State Finance Law and Generally Accepted Accounting Principles require that any expense incurred over more than one funding source or program must be charged proportionately, and the method of allocation must be documented.

B. For State-Funded Awards

**Total administrative costs are limited to fifteen (15) percent of the total grant award.**

For this RFP, applicants who are not Covered Providers under Executive Order 38 must use the Indirect Cost Rate Calculation as set forth below for non-program costs associated with the award, if indirect costs are included in the budget. Applicants who are Covered Providers, as defined under Executive Order 38, may select to apply either an Indirect Cost Rate or an Administrative Cost Rate as each is defined below for program costs associated with the award that are not directly charged, but are required to meet the requirements for Executive Order 38 regardless of which option is chosen. See Section 7.13 of this RFP for more information on Executive Order 38.

i. Indirect Cost Rate Calculation

a. Providers using the Indirect Cost Rate calculation may [elect to] charge an indirect cost rate of up to 15% of the modified total direct costs (MTDC). For this purpose, MTDC means all direct salaries and wages, applicable fringe benefits, materials and supplies, services, travel, and up to the first $25,000 of each sub-contract. MTDC excludes equipment, capital expenditures, charges for patient care, rental costs, tuition remission, scholarships and fellowships, participant support costs and the portion of each sub-award in excess of $25,000.

b. To determine the maximum amount of grant funding that can be allocated to indirect costs, first calculate MTDC based on the description above. Multiply MTDC by 0.15. The resulting figure indicates the maximum amount of funding that can be spent on indirect costs. For purposes of this RFP, indirect costs include Facilities and Administration costs.

1) Facilities includes depreciation on buildings, equipment and capital improvement, interest on debt associated with certain buildings, equipment and capital improvements, and operations and maintenance expenses.

2) Administration includes general administration and general expenses such as the director’s office, accounting,
personnel not specifically and solely attributable to the cost objective and all other types of expenditures not qualifying as direct costs and not listed specifically under one of the subcategories of “facilities.”

c. For purposes of the RFP for those not-for-profit organizations that elect to charge an indirect cost rate, the indirect costs need to be itemized in the other expenses “Item” column of the budget.

d. Please include the total amount of the organization’s MTDC on a line in the other expenses “Item” column of the budget and label as “Total MTDC”.

ii. Administrative Cost Rate

a. For applicants using the Administrative Cost Rate Calculation, direct program costs must be no less than 85 percent of the total grant award. All costs included in the direct program cost categories must be directly attributable to the project. State Finance Law and Generally Accepted Accounting Principles require that any expense incurred over more than one funding source or program must be charged proportionately, and the method of allocation must be documented.

b. Total administrative expenses are limited to 15 percent of the total grant award, less expenses for:

1) capital expenses, including but not limited to non-personal service expenditures for the purchase, development, installation, and maintenance of real estate or other real property;

2) property rental, mortgage or maintenance expenses

3) taxes, payments in lieu of taxes, or assessments paid to any unit of government;

4) equipment rental, depreciation and interest expenses, including expenditures for vehicles and fixed, major movable and adaptive equipment and equipment that is expensed (rather than depreciated) in cost reports;

5) expenses and equipment that is expensed rather than depreciated in cost reports of an amount greater than $10,000 that would otherwise be administrative, except that they are either non-recurring (no more frequent than once every five years) or not anticipated by a covered provider (e.g., litigation-related expenses). Such
expenses shall not be considered administrative expenses or program expenses for purposes of EO 38; or

6) that portion of the salaries and benefits of staff performing policy development or research.

c. Administrative expenses are those expenses authorized and allowable pursuant to applicable regulations, contracts or other rules that govern reimbursement with State funds or State-authorized payments that are incurred in connection with the covered provider's overall management and necessary overhead that cannot be attributed directly to the provision of program services. Such expenses include, but are not limited to

1) that portion of the salaries and benefits of staff performing administrative and coordination functions that cannot be attributed to particular program services, including but not limited to the executive director or chief executive officer, financial officers such as the chief financial officer or controller and accounting personnel, billing, claiming or accounts payable and receivable personnel, human resources personnel, public relations personnel, administrative office support personnel, and information technology personnel, where such expenses cannot be attributed directly to the provision of program services;

2) that portion of legal expenses that cannot be attributed directly to the provision of program services; and

3) that portion of expenses for office operations that cannot be attributed directly to the provision of program services, including telephones, computer systems and networks, professional and organizational dues, licenses, permits, subscriptions, publications, audit services, postage, office supplies, conference expenses, publicity and annual reports, insurance premiums, interest charges and equipment that is expensed (rather than depreciated) in cost reports, where such expenses cannot be attributed directly to the provision of program services.

d. All administrative costs must be individually identified.

- Indirect costs are considered in the total administrative costs for this project (indirect cost plus any directly charged administrative personnel, related fringes and non-personal services).
- Some common methods of allocating indirect costs are based upon time, space, units of service or percentage of funding.
- All administrative costs must be individually identified.

All costs included in the direct cost categories must be directly attributable to the project. State Finance Law and Generally Accepted Accounting
Principles require that any expense incurred over more than one funding source or program must be charged proportionately, and the method of allocation must be documented.

6. Discretionary Budget Narrative Worksheet

On this worksheet (Attachment B—Budget Summary) you record the total amount of your discretionary budget that will be spent through a New York State-certified Minority or Women-Owned Business Enterprise (MWBE). The total budget amount for budget categories that are considered discretionary are recorded on in the “Total OCFS Funds” column of this worksheet as you complete the other parts of the budget.

• In the right-hand column, enter the “Total Discretionary Funds” that are subject to the MWBE spending goal.

• For any category where the “Total Discretionary Funds” is less than the “Total OCFS Funds,” provide an explanation in the appropriate category of the amount excluded and why it is non-discretionary.

• The amount that you must spend with an MWBE will automatically be calculated.

Please note that when you are completing the budget in the Grants Gateway, you are required to upload the budget document into the “Pre-Submission Uploads” section of your application. Please be aware that this document must be converted to a PDF before it can be uploaded to the system.

5.3 Key Concepts

Performance Standards: Performance standards are the quantifiable and verifiable indicators of program performance; valid and reliable measures of environmental quality; the quality of staff-student interactions; and student outcomes. They contribute to the attainment of the desired outcomes as described in the RFP. These measurable and verifiable activities are used to achieve an acceptable level of the after-school services provided during the contract term.

Not-for-Profit Community-Based Organizations: These are not-for-profit organizations that work at a local level to improve life for residents. This focus is to build equality across society in all streams – health care, environment, quality of education, access to technology, access to spaces and information for the disabled, and more.

Required Program Outcomes: Tangible outcomes required, in this RFP, from the implementation and/or expansion of the after-school program(s).
5.4 **Proposal Content** *(Amended 9/3/19)*

The proposal will consist of responses to the following questions in the Grants Gateway. These will be found in the “**Program Specific Questions**” section of the online application.

Applicants must complete all of the following program questions and provide all required uploads for the application to be considered complete. Please note that all questions in the Grants Gateway will only allow one document to be uploaded per question. The Reports/Multiple documents should be combined into ONE SINGLE FILE no larger than 10MB in size. If this is not possible, it is permissible to submit additional uploads to the “**Grantee Document Folder**”. Please ensure all uploads are clearly identified and labeled. DO NOT UPLOAD PASSWORD PROTECTED OR SECURED DOCUMENTS. ENSURE ALL PASSWORDS ARE REMOVED PRIOR TO UPLOADING IN THE GRANTS GATEWAY.

Your proposal will consist of responses to the following questions in the Grants Gateway. These will be found in the “Program Specific Questions” section of the online application. The Work Plan is worth 80 points and the Budget is worth 20 points. Please see the sections below for a detailed point breakdown.

**Administrative Questions**

Unless specified otherwise, required documents must be uploaded as an attachment in the “**Program Specific Questions**” section of the Grants Gateway System as part of your response to applicable questions. If there are insufficient upload slots, it is permissible to submit additional uploads to the “**Grantee Document Folder**”. Please ensure all uploads are clearly identified and labeled.

**Add additional questions to each section, as appropriate.**

6.0 MINIMUM CRITERIA/EVALUATION PROCESS

6.1 Minimum Criteria (Pass/Fail Review Criteria)

Bidders must meet the Minimum Qualifications to submit a Proposal in accordance with Section 3.1 Minimum Qualifications and Section 3.2 Prequalification Process. Bidders not meeting these requirements will be disqualified from further consideration.

6.2 Evaluation Process

OCFS will evaluate each proposal meeting the requirements in Section 6.1 Minimum Criteria (Pass/Fail Review Criteria) above using the criteria in Section 5.4 Proposal Content. The Technical Proposal (evaluation of the Work Plan) will be weighted 80 points of a proposal's total score and the information contained in the Cost Proposal (evaluation of the Budget) will be weighted 20 points of a proposal's total score. Proposals will be rated by a review team using the criteria in Section 5 Proposal Content and Submission. The evaluation process will be as follows:

Applications will be reviewed and scored by trained reviewers using a structured, pre-approved review instrument. Applications that receive an average score of a minimum of 75 points or more will be considered for funding. Recommendations will be based on highest scoring applications and funding availability.

Awards made in response to this RFP will be limited to one per eligible school district. An awardee that is a not-for-profit community-based organization must operate the program within the eligible school district for which it received
the award. An awardee that is a not-for-profit community-based organization will be limited to no more than one award.

Of the $10 million available for this RFP, $2 million will initially be made available to qualifying applicants with programs located in school districts in high-need areas in Nassau or Suffolk counties (as identified in Attachment 3). Funds to these applicants will be awarded based on proposal scores, beginning with the highest scored proposal and contingent on the funding amount requested and available funds. Should a portion of the $2 million be remaining after awards are made to qualifying applicants in Nassau and Suffolk counties meeting the high-need criteria, such funds will be awarded beginning with the highest scoring application that proposes to serve an eligible school district as listed in Attachment 3.

Initial awards may be up to $800,000 per applicant annually. However, applicants may apply for up to 40 percent of the total RFP funding amount ($4 million). If funding is available after awards to all applicants receiving a passing score, the available funds will be distributed based on the amount requested by the highest-scoring applicants. In this event, funds will be awarded by funding the applicant with the highest-scoring application and continuing down the list of passing applications until all funds are awarded. No applicant shall receive more than 40 percent of the total ESAP RFP funding ($4 million). The combination of all eligible New York City geographic districts will be considered one school district for the purposes of the 40 percent RFP funding limit. The combination of all eligible New York City geographic districts, or not-for-profit community-based organizations serving eligible New York City geographic districts are eligible, in total, for up to 40 percent of the RFP funding ($4 million).

OCFS reserves the right to make adjustments to the funding amount requested based on program need and based on the total dollar value of the applications submitted.

OCFS reserves the right to make adjustments to the funding amount requested based on program need and based on the total dollar value of the applications submitted.

6.4 OCFS Procedure for Handling Debriefing Requests, Formal Protests and Appeals (Amended 9/3/19)

   A. Applicability

   The intent and purpose of these procedures is to define the debriefing process, as well as the protest and appeal procedures. This includes the steps that must be taken when an interested party challenges a contract
award from OCFS. These procedures shall apply to all contract awards made by OCFS.

B. Definitions

1. “Interested party” shall mean a participant in the procurement process and those whose participation in the procurement process has been foreclosed by OCFS.
2. “Contract award” shall mean a written determination from OCFS to an offerer, indicating that OCFS has accepted the offerer’s bid or offer.
3. “Debriefing” is the practice whereby, upon request of a bidder, OCFS reviews with such bidder the reasons its bid was not selected for an award. OCFS views debriefing as a learning process so that the bidder will be better prepared to participate in future procurements.
4. “Formal Protest” shall mean a written challenge to an OCFS contract award.
5. “Procurement” shall mean any method used to solicit or establish a contract (e.g., invitation for bid, request for proposal, single/sole source, etc.)
6. “Protesting party” is the party who is filing a protest to the bid, contract award or other aspect of procurement.
7. “Formal protest determination” shall mean the determination of a formal protest by the associate deputy commissioner for financial management administration of OCFS or his or her designee.
8. “Decision after appeal” shall mean the decision on the appeal of a formal protest by the executive deputy commissioner of OCFS or his or her designee.

C. Debriefing Request

In accordance with section 163 of the NY State Finance Law, OCFS must, upon request, provide a debriefing to any unsuccessful offerer that responded to the RFP, regarding the reasons that the proposal or bid submitted by the unsuccessful offerer was not selected for an award.

1. OCFS will provide notice in writing or electronically to all unsuccessful offerers that the offerer will not receive a funded award under the RFP. An unsuccessful offerer wanting a debriefing must request a debriefing in writing, within fifteen calendar days of receipt of the notice from OCFS that the offerer’s proposal did not result in an award.
2. OCFS, upon receipt of a timely written request from the unsuccessful offerer, will schedule the debriefing to occur within a reasonable period of time following the receipt of such request. Debriefings will be conducted in-person, unless OCFS and the offerer mutually agree to utilize other means, including, but not limited to, telephone, video-conferencing or other types of electronic communications.
3. Such debriefing will include: (a) the reasons that the proposal, bid or offer submitted by the unsuccessful offerer was not selected for an award; (b) the qualitative and quantitative analysis employed by OCFS in assessing the relative merits of the proposals, bids or offers; (c) the application of the selection criteria to the unsuccessful offerer's proposal; and (d) when the debriefing is held after the final award, the reasons for the selection of the winning proposal, bid or offer. The debriefing will also provide, to the extent practicable, general advice and guidance to the unsuccessful offerer concerning potential ways that their future proposals, bids or offers could be more responsive.

D. **Formal Protest and Appeal Procedure**

Any interested party who believes that they have been treated unfairly in the application, evaluation, bid award, or contract award phases of the procurement, may present a formal protest to OCFS and request administrative relief concerning such action.

A. **Submission of Bid or Award Protests**

Formal protests concerning a pending contract award must be received within five (5) business days after the protesting party knows or should have known of the facts that constitute the basis of the formal protest. Formal protests will not be accepted by OCFS concerning a contract award after the contract between OCFS and the offerer who received the contract award has been approved by the NYS Office of the State Comptroller (OSC).

In addition, where a debriefing was requested, a bidder may file a protest within five business days from the debriefing (in addition to the original 10-day window from notice of award).

B. **Review and Formal Protest Determination**

1. Formal protests must be filed with the OCFS associate deputy commissioner for financial management administration. Any protests filed with the OCFS program division responsible for the procurement will be forwarded to the associate deputy commissioner for financial management administration. Copies of all formal protests will be provided by the associate deputy commissioner for financial management administration to the OCFS Division of Legal Affairs and other necessary parties within OCFS, as determined by associate deputy commissioner for financial management administration.

2. Formal protests shall be resolved through written correspondence; however, either the protesting party or OCFS may request a meeting to discuss a formal protest. Where further formal resolution is required,
the program division responsible for the procurement may designate a state employee not involved in the procurement ("designee") to determine and undertake the initial attempted resolution or settlement of any formal protest.

3. The OCFS program division responsible for the procurement will conduct a review of the records involved in the formal protest, and provide a memorandum to the associate deputy commissioner for financial management administration or the associate deputy commissioner for financial management administration's designee summarizing the facts, an analysis of the substance of the protest, and a preliminary recommendation including: (a) an evaluation of the findings and recommendations, (b) the materials presented by the protesting party and/or any materials required of or submitted by other bidders, (c) the results of any consultation with the OCFS Division of Legal Affairs, and (d) a draft response to the formal protest.

4. The OCFS associate deputy commissioner for financial management administration or his or her designee shall hear and make a formal protest determination on all formal protests. A copy of the formal protest determination, stating the reason(s) upon which it is based and informing the protesting party of the right to appeal an unfavorable decision to the executive deputy commissioner, shall be sent to the protesting party or its agent within thirty (30) business days of receipt of the formal protest, except that upon notice to the protesting party such period may be extended by OCFS. The formal protest determination will be recorded and included in the procurement record, or otherwise forwarded to the OSC.

C. Appeal of Formal Protest Determination

1. If the protesting party is not satisfied with the formal protest determination, the protesting party must submit a written notice of appeal to the executive deputy commissioner of OCFS no more than fifteen (15) business days after the date the formal protest determination is sent to the protesting party.

2. The executive deputy commissioner or his or her designee shall hear and make a decision after appeal on all appeals.

3. An appeal may not introduce new facts unless responding to facts or issues unknown to the protesting party prior to the formal protest determination.

D. Reservation of Rights and Responsibilities of OCFS

1. OCFS reserves the right to waive or extend the time requirements for protest submissions, decisions and appeals herein prescribed when,
in its sole judgment, circumstances so warrant to serve the best interests of the state.

2. If OCFS determines that there are compelling circumstances, including the need to proceed immediately with contract award and development of final contracts in the best interests of the state, then these protest procedures may be suspended and such determination shall be documented in the procurement record.

3. OCFS will consider all information relevant to the protest, and may, at its discretion, suspend, modify, or cancel the protested procurement action, including solicitation of bids, or withdraw the recommendation of contract award prior to issuance of a formal protest decision.

4. Unless a determination is made to suspend, modify or cancel the protested procurement action, or withdraw the recommendation of contract award, OCFS will continue procurement and contract award activity prior to the formal protest determination. The receipt of a formal protest will not otherwise stop action on the procurement and award of the contract(s) or on development of final contracts.

   a. The procurement record and awarded contract(s) will be forwarded to OSC, and a notice of the receipt of a formal protest and any appeal will be included in the procurement record. If a formal protest determination, or a decision after appeal, has been reached prior to transmittal of the procurement record and the contract(s) to OSC, a copy of the formal protest determination or decision after appeal will be included in the procurement record and with the contract(s).

   b. If a formal protest determination or decision after appeal is made after the transmittal of the procurement record and contract(s) to OSC, but prior to OSC approval, a copy of the formal protest determination or decision after appeal will be forwarded to OSC when issued, along with a letter either: a) confirming the original OCFS recommendation for award(s); b) modifying the proposed award recommendation; or c) withdrawing the original award recommendation.

   c. All records related to formal protests and appeals shall be retained for at least one (1) year following resolution of the formal protest. All other records concerning the procurement shall be retained according to the applicable requirements for records retention.

E. Appeal to the Office of the State Comptroller

If the protesting party is still not satisfied with the result of its protest after conclusion of the formal protest and appeal procedure described above, the protesting party may file a written appeal with the OSC within ten
business days of the date the protesting party received OCFS’s protest determination. An appeal to the OSC’s Bureau of Contracts must be in writing and must contain the specific factual and/or legal allegations setting forth the basis upon which the protesting party challenges the contract award by OCFS. Such appeal must be filed with the director of the Bureau of Contracts at the NYS Office of the State Comptroller, 110 State Street, 11th Floor, Albany, NY 12236.

7.0 MANDATORY CONTRACTING REQUIREMENTS

7.1 Contract Readiness

New York State’s Prompt Contracting laws require all state agencies to complete contract development and the signatory process within statutorily prescribed timeframes. Awardees must be available and prepared to respond within the required timeframes. If selected, awardees may be required to travel to Rensselaer, New York for contract development and will be expected to cover the costs of that travel. OCFS may rescind the awards of awardees who cannot satisfactorily complete the contracting process in order to commence services by the anticipated contract start date.

7.2 Standard Contract Language

The terms and conditions for all funded projects are specified in a detailed contract that must be signed by OCFS and approved by the New York State Office of the Attorney General (OAG) and the OSC before payments may be made. Contractor obligations or expenditures prior to the contract start date shall not be reimbursed. This RFP includes all relevant contract terms and conditions, which can be found in Section 8: CONTRACT DOCUMENTS. Upon contract award and completion of negotiations, OCFS will send successful awardees the complete contract for development and signature prior to submitting it to the OAG and to OSC for approval.

7.3 Workers Compensation Insurance and Disability Benefits Coverage

Sections 57 and 220 of the Workers’ Compensation Law (WCL) and section 142 of the State Finance Law require that businesses contracting with New York State have and maintain and provide evidence of appropriate workers’ compensation and disability benefits insurance coverage. If an award is made from this RFP, updated proof of coverage must be provided during contract development. Failure to submit the proof will delay the contract development process, and may result in the award being rescinded. Municipalities are not required to show proof of coverage.

Please note: The ACCORD form is not acceptable proof of Workers’ Compensation or Disability Insurance coverage.
A. Proof of Workers’ Compensation Coverage

To comply with coverage provisions of the WCL, the Workers’ Compensation Board requires that a business seeking to enter into a state contract, or contract renewal, submit appropriate proof of coverage to the state contracting entity issuing the contract. To prove the awardee has appropriate workers’ compensation insurance coverage, submit ONE of the following four forms:

http://www.wcb.ny.gov/content/main/forms/AllForms.jsp

- Form C-105.2 - Certificate of Workers’ Compensation Insurance issued by private insurance carriers, or Form U-26.3 issued by the State Insurance Fund; or
- Form SI-12 - Certificate of Workers’ Compensation Self-Insurance; or Form GSI-105.2 Certificate of Participation in Workers’ Compensation Group Self-Insurance; or
- CE-200 - Certificate of Attestation of Exemption from NYS Workers’ Compensation and/or Disability Benefits Coverage.

B. Proof of Disability Benefits Coverage

To comply with coverage provisions of the WCL regarding disability benefits, the Workers’ Compensation Board requires that a business seeking to enter into a state contract, or contract renewal, submit appropriate proof of coverage to the state contracting entity issuing the contract. To prove the awardee has appropriate disability benefits insurance coverage, submit ONE of these three forms:

http://www.wcb.ny.gov/content/main/forms/AllForms.jsp

- Form DB-120.1 - Certificate of Disability Benefits Insurance; or
- Form DB-155 - Certificate of Disability Benefits Self-Insurance; or
- CE-200 - Certificate of Attestation of Exemption from New York State Workers’ Compensation and/or Disability Benefits Coverage.

7.4 Confidentiality and Awardee, Contractor, Employee and Volunteer Background Checks

OCFS is responsible for maintaining the safety of the youth served by OCFS programs.

7.4.1 Confidentiality - New York State law requires that any client identifiable information be kept confidential. Any awardee, or contractor, employee or volunteer of the awardee, who will be provided with confidential information of recipients served by the awardee must complete and sign form OCFS-4715, Confidentiality Non-Disclosure Agreement. This form must be completed before the start date of the contract and before any such awardee, contractor, employee or volunteer is permitted access to youth
served by an awardee or to any financial or client identifiable information concerning such youth. For additional information see Attachment A-1, **Section 7 Confidentiality and Protection of Human Subjects**, located at the link to a standard contract listed in section 7.2 above.

7.4.2 **Criminal History Background Checks** - Any awardee, or contractor, employee or volunteer of the awardee, who will have the potential for regular and substantial contact with youth in care or receiving residential services must be subject to background screening prior to hire or utilization in a position paid through this award. The screening must include a review of individuals' backgrounds through the following three (3) services: New York State Justice Center for the Protection of Persons with Special Needs Staff Exclusion List (SEL), New York Statewide Central Register of Child Abuse and Maltreatment (SCR); and a criminal history background check via a vendor that will submit information to both the division of criminal justice services and the federal bureau of investigation. Additional information regarding all three (3) services will be provided upon the grant of an award. Please note that the grant of an award may be negatively impacted if background checks reveal that an individual proposed to provide services is on the SEL, is the subject of any indicated reports of child abuse and maltreatment, or has convictions for one or more prior criminal offenses. Awardees are responsible for notifying OCFS if a background check reveals that a contractor, employee or volunteer of the awardee proposed to provide services has a criminal history. Any criminal history revealed as a result of such screening will be evaluated by OCFS pursuant to Correction Law Article 23-A, section 752 on a case-by-case basis taking into consideration the duties of the position and those factors set forth in Correction Law Article 23-A, section 753. OCFS will evaluate the results of the screening in accordance with Correction Law Article 23-A and notify the awardee of its determination. The awardee shall be responsible for the cost associated with any required background screens of the individuals identified in this section.

7.5 **Charities Registration (not-for-profit corporations only)**

Not-for-profit vendors must be registered with the New York State Office of the Attorney General as a charitable organization, and the registration must be up to date at the time of contracting. Vendors must be sure all their documents are up-to-date and comply with the vendor responsibility requirements as outlined below. To determine the status of your charities registration information, contact: [https://www.charitiesnys.com/RegistrySearch/search_charities.jsp](https://www.charitiesnys.com/RegistrySearch/search_charities.jsp)
7.6 **Federal Requirements (if federally funded)**

See Attachment A-2, *Federal Assurances and Certifications*, which is in the Master Contract for Grants and is referenced in **Section 8.0 CONTRACT DOCUMENTS**.

7.7 **Required Electronic Payments and Substitute Form W-9**

The Governor’s Office of Taxpayer Accountability has issued a directive that all state agency and state authority contracts, grants and purchase orders executed after February 28, 2010 shall require vendors, contractors and grantees to accept electronic payment (e-pay).

As New York State proceeds with implementing the new Statewide Financial System (SFS), the OSC is preparing a centralized vendor file. To assist OSC in this project, vendors are directed to provide a *Substitute Form W-9* which includes the taxpayer identification number, business name, and business contact person. This data is critical to ensure that the vendor file contains the information state agencies need to contract with and pay vendors.

Please note that the contractor payee name and address provided to OSC for the epay program must match exactly the contractor name and address contained in the contractor’s contract with OCFS. If these do not match, then a check is printed and mailed to the payee. Note that limited exemptions may be granted for extenuating circumstances.

Vendors should file a *Substitute Form W-9* with their Electronic Payment Authorization form.

Further information concerning these requirements, including forms and contacts for questions, can be found at the following links:

http://osc.state.ny.us/vendors/epayments.htm
http://www.osc.state.ny.us/agencies/guide/MyWebHelp/ (Guide to Financial Operations)

7.8 **Iran Divestment Act**

By submitting a bid in response to this solicitation or by assuming the responsibility of a contract awarded hereunder, bidder/contractor (or any assignee) certifies that it is not on the “Prohibited Entities List,” as defined by the *Entities Determined To Be Non-Responsive Bidders/Offerers Pursuant to The New York State Iran Divestment Act of 2012* (the Act), which is posted on the OGS website at http://www.ogs.ny.gov/about/regs/docs/ListofEntities.pdf and further certifies that it will not utilize on such contract any subcontractor that is identified on the “Prohibited Entities List.” Bidder/contractor is advised that should it seek to renew or extend a contract awarded in response to the
solicitation, it must provide the same certification at the time the contract is renewed or extended.

During the term of the contract, should OCFS receive information that a person (as defined in State Finance Law §165-a) is in violation of the above-referenced certifications, OCFS will review such information and offer the person an opportunity to respond. If the person fails to demonstrate that it has ceased engagement in the investment activity that is in violation of the Act within 90 days after the determination of such violation, then OCFS shall take such action as may be appropriate and provided for by law, rule, or contract, including, but not limited to, seeking compliance, recovering damages, terminating the contract and/or declaring the contractor in default.

OCFS reserves the right to reject any bid, request for assignment, renewal or extension for an entity that appears on the Prohibited Entities List prior to the award, assignment, renewal or extension of a contract and to pursue a responsibility review with respect to any entity that is awarded a contract and appears on the “Prohibited Entities List” after contract award.

7.9 Statewide Financial System

Recipients of grant awards must also be registered in the New York Statewide Financial System (SFS) Central Vendor Registry File and provide their identification number at the time of contracting. To register and for additional information on the vendor file, visit: [http://www.osc.state.ny.us/vendor_management/index.htm](http://www.osc.state.ny.us/vendor_management/index.htm)

This section outlines contractor requirements and procedures for business participation opportunities for New York State-certified Minority and Women-Owned Business Enterprises (MWBE) and Equal Employment Opportunities (EEO) for minority group members and women. All forms can be found [here](http://www.osc.state.ny.us/vendor_management/index.htm).

7.10.1 New York State Executive Law (Article 15-A)

Pursuant to New York State Executive Law Article 15-A and Parts 140-145 of Title 5 of the New York Codes, Rules and Regulations OCFS is required to promote opportunities for the maximum feasible participation of New York State-certified Minority and Women-owned Business Enterprises (“MWBEs”) and the employment of minority group members and women in the performance of OCFS contracts.
7.10.2 MWBE Business Participation Opportunities – OCFS Established Goals

For purposes of this solicitation, OCFS hereby establishes an overall goal of 15 percent for MWBE participation, 15 percent for New York State-certified Minority-Owned Business Enterprise (“MBE”) participation and 30 percent for New York State-certified Women-Owned Business Enterprise (“WBE”) participation (based on the current availability of MBEs and WBEs). A contractor (“Contractor”) on any contract resulting from this procurement (“Contract”) must document its good faith efforts to provide meaningful participation by MWBEs as subcontractors and suppliers in the performance of the Contract. To that end, by submitting a response to this RFP, the respondent agrees that OCFS may withhold payment pursuant to any Contract awarded as a result of this RFP pending receipt of the required MWBE documentation. The directory of MWBEs can be viewed at: https://ny.newnycontracts.com. For guidance on how OCFS will evaluate a Contractor's “good faith efforts,” refer to 5 NYCRR § 142.8.

The respondent understands that only sums paid to MWBEs for the performance of a commercially useful function, as that term is defined in 5 NYCRR § 140.1, may be applied towards the achievement of the applicable MWBE participation goal. The portion of a contract with an MWBE serving as a broker that shall be deemed to represent the commercially useful function performed by the MWBE shall be 25% of the total value of the contract.

7.10.3 Contract Compliance

In accordance with 5 NYCRR § 142.13, the respondent further acknowledges that if it is found to have willfully and intentionally failed to comply with the MWBE participation goals set forth in a Contract resulting from this RFP, such finding constitutes a breach of contract and OCFS may withhold payment as liquidated damages.

Such liquidated damages shall be calculated as an amount equaling the difference between: (1) all sums identified for payment to MWBEs had the Contractor achieved the contractual MWBE goals; and (2) all sums actually paid to MWBEs for work performed or materials supplied under the Contract.

By submitting a bid or proposal, a respondent agrees to demonstrate its good faith efforts to achieve the applicable MWBE participation goals by submitting evidence thereof through the New York State Contract System (“NYSCS”), which can be viewed at https://ny.newnycontracts.com, provided, however, that a respondent may arrange to provide such evidence via a non-electronic method by contacting OCFS.

Additionally, a respondent will be required to submit the following documents and information as evidence of compliance with the foregoing:
A. An MWBE Utilization Plan with their bid or proposal. Any modifications or changes to an accepted MWBE Utilization Plan after the Contract award and during the term of the Contract must be reported on a revised MWBE Utilization Plan and submitted to OCFS for review and approval.

OCFS will review the submitted MWBE Utilization Plan and advise the respondent of OCFS acceptance or issue a notice of deficiency within 30 days of receipt.

B. If a notice of deficiency is issued, the respondent will be required to respond to the notice of deficiency within seven (7) business days of receipt by submitting to the OCFS a written remedy in response to the notice of deficiency to mwbeinfo@ocfs.ny.gov. If the written remedy that is submitted is not timely or is found by OCFS to be inadequate, OCFS shall notify the respondent and direct the respondent to submit, within five (5) business days, a request for a partial or total waiver of MWBE participation goals. Failure to file the waiver form in a timely manner may be grounds for disqualification of the bid or proposal.

OCFS may disqualify a respondent as being non-responsive under the following circumstances:
   a) If a respondent fails to submit an MWBE Utilization Plan;
   b) If a respondent fails to submit a written remedy to a notice of deficiency;
   c) If a respondent fails to submit a request for waiver; or
   d) If OCFS determines that the respondent has failed to document good faith efforts.

The successful respondent will be required to attempt to utilize, in good faith, any MBE or WBE identified within its MWBE Utilization Plan, during the performance of the Contract. Requests for a partial or total waiver of established goal requirements made subsequent to Contract Award may be made at any time during the term of the Contract to OCFS, but must be made no later than prior to the submission of a request for final payment on the Contract.

The successful respondent will be required to submit a quarterly M/WBE Contractor Compliance & Payment Report to OCFS, by the 10th day following each end of quarter over the term of the Contract documenting the progress made toward achievement of the MWBE goals of the Contract.

7.10.4 Equal Employment Opportunity (EEO) Requirements

By submission of a bid or proposal in response to this solicitation, the respondent agrees with all of the terms and conditions of Appendix A – Standard Clauses for All New York State Contracts including Clause 12 - Equal Employment Opportunities for Minorities and Women. The respondent is required to ensure that it and any subcontractors awarded a subcontract for the construction, demolition, replacement, major repair,
renovation, planning or design of real property and improvements thereon (the "Work"), except where the Work is for the beneficial use of the respondent, undertake or continue programs to ensure that minority group members and women are afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status. For these purposes, equal opportunity shall apply in the areas of recruitment, employment, job assignment, promotion, upgrading, demotion, transfer, layoff, termination, and rates of pay or other forms of compensation. 7.11 Service-Disabled Veteran-Owned Business (SDVOB)

The Service-Disabled Veteran-Owned Business Act, signed into law by Governor Andrew M. Cuomo on May 12, 2014, allows eligible veteran business owners to become certified as a New York State Service-Disabled Veteran-Owned Business (SDVOB) in order to increase the
participation of such businesses in New York State's contracting opportunities. The SDVOB Act, which is codified under Article 17-B of the Executive Law, acknowledges that SDVOBs strongly contribute to the economies of the state and the nation. Therefore, and consistent with its Master Goal Plan, OCFS strongly encourages vendors who contract with OCFS to consider the utilization of certified SDVOBs that are responsible and responsive for at least six (6) percent of discretionary non-personnel service spending in the fulfillment of the requirements of their contracts with OCFS. Such partnering may include utilizing certified SDVOBs as subcontractors, suppliers, protégés, or in other supporting roles to the maximum extent practical, and consistent with the legal requirements of the State Finance Law and the Executive Law. Certified SDVOBs may be readily identified through the directory of certified businesses at: List of Certified NYS Service-Disabled Veteran-Owned Businesses.

7.12 Omnibus Procurement Act

The Omnibus Procurement Act of 1992 requires that by signing a bid proposal, contractors certify that whenever the total bid amount is greater than $1 million

1. the contractor has made reasonable efforts to encourage the participation of New York State Business Enterprises as suppliers and subcontractors on this project and has retained the documentation of these efforts to be provided upon request to the State of New York; and has

2. documented their efforts to encourage the participation of New York state business enterprises as suppliers and subcontractors by showing that they have done the following:

- Solicited bids, in a timely and adequate manner, from ESD business enterprises, including certified minority/women-owned businesses; or
- Contacted ESD to obtain listings of New York State business enterprises and MWBEs; or
- Placed notices for subcontractors and suppliers in newspapers, journals or other trade publications distributed in New York State; or
- Participated in bidder outreach conferences; and
- Provided a statement indicating the method by which they determined that New York State business enterprises are not available to participate on the contract as subcontractors or suppliers, if the contractor has determined such; and
- Provided a statement verifying no intention of using subcontractors, if the contractor has no such intention.
3. The contractor has complied with the federal Equal Opportunity Act of 1972 (P.L. 92-961), as amended.

4. The contractor will be required to notify New York State residents of employment opportunities by listing any such positions with the Community Services Division of the New York State Department of Labor, providing for such notification in such manner as is consistent with existing collective bargaining contracts or agreements. The agency agrees to document these efforts and to provide said documentation to OCFS upon request.

5. Bidders located in a foreign country are notified that the state may assign or otherwise transfer offset credits to third parties located in New York State, and the bidders shall be obligated to cooperate with the state in any and all respects in making such assignment or transfer, including, but not limited to, executing any and all documents deemed by the state to be necessary or desirable to effectuate such assignment or transfer and using their best efforts to obtain the recognition and accession to such assignment or transfer by any applicable foreign government.

6. Bidders are hereby notified that state agencies and authorities are prohibited from entering into contracts with businesses whose principle place of business is located in a “discriminatory jurisdiction.” Discriminatory jurisdiction is defined as a state or political subdivision which employs a preference or price distorting mechanism to the detriment of or otherwise discriminates against a New York State business enterprise in the procurement of commodities and services by the same or a nongovernmental entity influenced by the same. A list of discriminatory jurisdictions is maintained by Commissioner of the New York State Empire State Development Corporation.

7.13 Executive Order Number 38

On January 18, 2012 Governor Andrew M. Cuomo issued Executive Order No. 38 “Limits on State-Funded Administrative Costs & Executive Compensation,” which requires that state agencies establish limits on state reimbursement of administrative and executive compensation costs for contracts and programs that provide direct services to clients. Contracts, payment requests and reporting must comply with this Executive Order. The Executive Order can be found at the following website address: http://executiveorder38.ny.gov/

LEGAL NOTICE: Based upon the April 8, 2014 decision in Agencies for Children’s Therapy Services, Inc. v. New York State Department of Health, et al. (“ACTS”), covered providers conducting business in Nassau County need not file Executive Order No. 38 disclosures. For purposes of this notice, “conducting business” means having a place of business within Nassau County, providing program services or administrative
services involving the use or receipt of state funds or state-authorized payments within Nassau County, or otherwise conducting business within Nassau County in relation to which executive compensation is paid. Please note that the ACTS decision is under appeal. Those affected by the ACTS' decision should periodically check the EO 38 website for updates regarding any changes to this notice.

7.14 Executive Order Number 175 (If Applicable)

In accordance with the requirements of Executive Order No. 175, Contractor will be expected to adhere to net neutrality principles in the provision of internet services under any Contract entered into as a result of this RFP, regardless of delivery method unless the director of contracts, or his/her designee as noted in Section 1.1 Procurement Contact, determines that adherence to net neutrality principles for a particular purpose is not in the best interests of the state. Nothing in this provision supersedes any obligation or authorization a provider of broadband Internet access service may have to address the needs of emergency communications or law enforcement, public safety, or national security authorities, consistent with or as permitted by applicable law, or limits the provider’s ability to do so. As used herein, “net neutrality” means that Contractor will not block, throttle, or prioritize internet content or applications or require that end users pay different or higher rates to access specific types of content or application. For the purposes of this contract, the prohibition against blocking or throttling of internet content or applications does not apply to reasonable network management practices.

7.15 Executive Order Number 177

Executive Order 177, signed on February 3, 2018, by Governor Andrew M. Cuomo, directs New York State agencies and authorities not to enter into any contracts with entities that have institutional policies or practices that fail to address the harassment and discrimination of individuals on the basis of their age, race, creed, color, national origin, sex, sexual orientation, gender identity, disability, marital status, military status, or other protected basis. The Contractor must provide the EO 177 certification statement prior to any award being made by OCFS.

7.16 State Finance Law §139-l; Statement on Sexual Harassment in Bids

as to its own organization, under penalty of perjury, that the bidder has and has implemented a written policy addressing sexual harassment prevention in the workplace and provides annual sexual harassment prevention training to all of its employees. Such policy shall, at a minimum, meet the requirements of section two hundred one-g of the labor law.’ The Contractor must provide the foregoing certification prior to any award being made by OCFS. 9.0 GLOSSARY OF OUTCOME-BASED CONTRACTING TERMS

**Fiscal Documentation**: Documentation necessary for payment.

**Grants Gateway**: The New York State Grants Gateway went into operation on May 15, 2013, and serves as the primary outlet for state agencies to post upcoming and available funding opportunities.

**Guide to Financial Operations (GFO)**: This website was created as the central storehouse of OSC policies and is intended to replace individual OSC Bulletins. The GFO can be found at [http://www.osc.state.ny.us/agencies/guide/MyWebHelp](http://www.osc.state.ny.us/agencies/guide/MyWebHelp).

**Legal Documents**: Legally required application/contract components.

**Organizational Qualifications**: The organizational characteristics and capacity (e.g., agency mission, past accomplishments/experience in serving the target population or in providing similar services to a different population, experience in collaborating with community agencies needed for program success, key people, and fiscal capability) that are likely to result in successful performance target attainment.

**Baseline Estimate**: The projected status of the target population without the proposed intervention. A baseline is the best estimate, using prior program experience, collected data, and/or research results, of what would happen to the target population without the program’s intervention and its benefits. Projection should be numerical (a number or a percentage). A baseline estimate is required for each performance target.

**Outcomes**: The desired benefits or changes for the target population following their interaction with a program. These are the expected results of program intervention. Outcomes may relate to knowledge, skills, attitudes, behaviors or conditions. Either the investor or provider may set them. (They are broader, and more general than
performance targets. They do not require numerical projection). In some instances the outcome may be a system change rather than an individual behavior change.

**Performance Targets:** Performance targets are the *measurable* verifiable improvements in the condition or behavior of program recipients that the provider expects to achieve *by the end of the contract period*. Targets are quantifiable and verifiable indicators of program performance. They contribute to the attainment of the desired outcomes for the target population. Attainment of several performance targets may be needed to indicate the achievement of a single outcome. Performance targets must include a description of the methods that will be used to verify target achievement.

**Milestones:** *Measurable interim* changes in the condition or behavior of the target population used to track whether the program is on course to achieve its performance targets. These are critical points of change or target population achievement that must occur to progress towards the performance targets. You must include a description of the methods that will be used to verify milestone achievement.

**Program Budget:** Definition of program expenditures and funding sources.

**Program Description:** Detailed explanation of the means (service model, plan or approach) the provider will use to achieve its performance targets and outcomes. This should include a description of the program’s core features (i.e., the kinds of services provided, their intensity and duration, the essential elements, theoretical approach, delivery strategies, involvement of target population in planning, etc.).

**Project Work Plan:** Steps necessary to implement a program.

**Staffing Pattern:** Please identify the staff assigned to a program, regardless of whether it is paid through OCFS funds.

**Target Population:** Please describe the specific group of people (individuals, families, community members or, in certain instances, the specified personnel or entity/entities) that are the focus of change, and who will directly interact with the program. In certain instances where the desired outcome is systemic change, an agency as a whole may be considered the target population.

**Verification:** Statement of methods used to verify performance target and milestone attainment and/or submission of actual documentation.

**Vendor Responsibility:** Compliance with New York State Finance Law and guideline provisions related to vendor integrity providing reasonable assurance that the potential contractor has the capacity to perform the requirement of the contract. This includes authority to do business in the state, capacity and performance in addition to the aforementioned integrity.

**Vision:** OCFS Program Area Statement of ideal end-state sought for a population (e.g., prevention of child abuse and neglect).
